3. Cancellation/Refunds:

3.1 ITIL® Annual Subscription Cancellation

Whilst the ITIL Annual Subscription will come to a natural expiry 12-months following, in the meantime, the Customer reserves the right to cancel the ITIL Annual Subscription with immediate effect and where applicable, expect the ITIL Annual Subscription fee paid to be part or fully refunded based on the following conditions:

- If the normal prices and/or agreed discount change during the ITIL Annual Subscription period and where the Customer can no longer benefit the same financial savings.
- Where we fail to make any of the courses (listed below) available within any given 8-week cycle/period.
 - Foundation (FND)
 - Create Deliver and Support (CDS)
 - Drive Stakeholder Value (DSV)
 - High Velocity IT (HVIT)
 - Direct Plan and Improve (DPI)
 - Digital and IT Strategy (DITS)

3.11 ITIL® Annual Subscription Refunds

On the basis all outstanding invoices are fully paid, and Cancellation meets the agreed conditions as outlined above, the Customer will be entitled to a refund (part, or in full) regarding the ITIL Annual Subscription fee paid as follows:

- Calculated on the courses already purchased and fulfilled during the ITIL Annual Subscription period; if the Customer has NOT benefited a financial saving during this time (including the Annual Subscription fee paid), then the Customer will be refunded the portion of the ITIL Annual Subscription fee equating to the shortfall. For example, if the courses which the Customer has purchased (including the Annual Subscription fee) exceeds the overall cost when compared with the normal prices, then the Customer will be refunded the difference accordingly. If the Customer at this point has not purchased any courses, then the Customer will be refunded the full ITIL Annual Subscription fee amount.

Please note: Calculated on the courses already purchased and fulfilled during the ITIL Annual Subscription period; if the Customer has benefited a financial saving during this time (including the Annual Subscription fee paid), then the Customer will NOT be entitled to a refund. In this case, the ITIL Annual Subscription will continue and naturally expiry as scheduled.

Cancellation/Refunds Continued

3.2 Course Bookings

3.21 Students

The Customer reserves the right to cancel student bookings at any time prior to course commencement without incurring any charges.

If the Customer has already prepaid, then a full refund will be given accordingly. Once the course has commenced then the Customer agrees to pay all relevant charges however, students failing to attend or complete a course can be transferred to another course accordingly at no additional charge.

3.22 Exams

The Customer can transfer unused exam vouchers to other students who can, therefore, attend a course equivalent to the exam voucher at no additional charge. It should be noted however, that resits can only be transferred with the main exam voucher, i.e., not independently.

Exam vouchers are valid for 12-months from the date of issue and resits are valid for 6-months following the first exam.

Exam vouchers can be extended up to 6-months beyond the 12-month validity period on the basis that such requests are submitted no less than 14-days prior to the exam voucher expiry date, and that the Customer agrees to a charge of £50 plus VAT per exam extension.
