Introduction

This document contains information and pricing details regarding our **ITIL® Foundation Annual Membership Scheme** designed for business organisations who's students undertake online live certification courses.

For peace of mind, ITSM Assist is a private limited company registered in England and Wales, and promote the official Axelos®/PeopleCert® accredited training organisation (ATO) status. Axelos are the owners of ITIL and PeopleCert are the official examination institute (EI) for Axelos.

ITIL® Foundation Annual Membership Scheme Explained

Firstly, our ITIL Foundation Annual Membership Scheme does not automatically renew, it naturally expires 12-months following, offering the option to renew accordingly.

Secondly, based on an annual fixed fee, the cost per student is significantly reduced compared with our normal advertised pricing. Simply put, the charge per student compares close to the cost of the exam only. In fact, 6 x students attending ITIL Online Live Foundation courses throughout the 12-month membership period typically breaks-even financially compared with our normal advertised pricing. The more students however, the greater the financial saving.

Finally, our ITIL Foundation Annual Membership Scheme not only offers significant cost savings, e.g., some of our customers save thousands of pounds each year, it also offers a consistent approach towards student charging therefore,

- It helps with predicting budgets
- It helps streamline planning ITIL® and ITSM training needs
- It offers flexibility without any long-term commitment
